

PETER PAUL
2004 CABERNET SAUVIGNON

NAPA VALLEY
DIAMOND MOUNTAIN DISTRICT

WINEMAKING NOTES

This extremely limited production wine—only 200 cases made—is sourced from grapes grown at the renowned Constant Vineyard at the top of Diamond Mountain, in Napa Valley. Iron-rich, well drained red soil marks this pristine location and offers Cabernet grapes excellent opportunity to reach optimum ripeness while maintaining the unique character of the appellation. We gently crushed the grapes, cool-fermented them, and then barreled down only the free-run wine for this exceptional cuvée, which serves up silky-smooth tannins framing cassis, blackberry, anise, vanilla, toast and herb flavors.
